Tuition for the 2018-2019 season is broken up into 9 equal monthly installments (September-May) based on the number of hours your student dances per week.  
 August will be billed as a 3-week month and June a 1-week month. Tuition rates remain the same regardless of the number of classes there are per month (ie. You are not charged more for 5-week months or charged less for 3-week months. This evens out over the course of the year).  
 Tuition is auto-billed to a credit card on file on the 26th of each month for the upcoming month of classes.
